William J. Casey  
Director  
Central Intelligence Agency  
Washington, D.C. 20505

Dear Mr. Casey:

I am enclosing a galley copy of THE SOVIET ESTIMATE:  
U.S. Intelligence Analysis and Russian Military Strength  
in the hope that you will have time to read it. I think  
it contributes a great deal to the arms build up debate  
in which the nation is presently engaged, and which shows  
signs of escalating now with the unveiling of the new  
budget. It is our hope that Dr. Prados' book will shed  
some light on the issues.

Sincerely,

  
Juris Jurjevics  
Editor-in-Chief
